Friday 4<sup>th</sup> of May 2018

### **The BEPS Secondary Journey – Workshop for parents**

Time: Tuesday 22<sup>nd</sup> of May @ 18:00

Location: Avenue de Bel Air 9 in Uccle

BEPS has 45 years of history delivering excellent education. Next year in BEPS secondary we will be stepping into the “Future of Education”.

As part of our BEPS learning community we would like you to join us for an introductory workshop designed to develop a shared understanding of the vision of BEPS secondary school.

Underlying this vision is the motivation to create a learning experience which truly meets the needs of our students now and into the future. Our approach to the MYP curriculum will draw upon the most recent developments in education in order to create something innovative and exciting.

The workshop will focus on the unique BEPS learning experience and give an insight into the way in which we will deliver an authentic and individualised programme.

Key aspects of our vision for the secondary school are the development of;

- 21<sup>st</sup> Century skills
- Lifelong learners
- International Mindedness
- Community service opportunities.

You will also have the opportunity to meet our MYP coordinator Mr Andrew Mitchell and see our new campus.

Please return the slip below by Friday 18<sup>th</sup> of May

We look forward to seeing you there.  
BEPS Secondary team.
